Johann also served at SAPS Pretoria Vehicle Theft Investigation Unit where he investigated and identified vehicle theft syndicates and stolen vehicles.

Johann started at Nexus on 16 May 2011 and has been involved in a multitude of forensic investigations. To name a few, he has undertaken various investigations for multinational companies in the petroleum and mining sectors as well as in the public sector. He was also the lead investigator / project manager for a Schedule 3 public entity where various issues such as fraud, corruption, conflict of interest, etc. were under investigation.

NATURE OF FORENSIC EXPERIENCE

The general nature of the forensic assignments Johann has been involved with, relates to the following type of offences/transgressions:

- ✕ Organised crime
- ✕ Fraud and corruption
- ✕ Theft
- ✕ Forgery and uttering
- ✕ Fruitless and wasteful expenditure
- ✕ Procurement Fraud
- ✕ Abuse of Power
- ✕ Conflict of interest

Due to Johann's background at SAPS, he has skilful knowledge and application in the investigation of theft, syndicates and organised crime.

Johann has also conducted numerous investigations for public sector clients, which related to, *inter alia*, fruitless and wasteful expenditure, irregular appointments and procurement fraud, misuse of power, underperforming of employees and conflict of interest.

Johann is the head of the NFS Business Intelligence Service (BIS). He has vast experience in gathering relevant information relating to individuals and property. He specialises in lifestyle investigations.

Please note that this CV contains personal information of the candidate, and general reference to involvement in investigations. Specific detail about involvement in assignments and roles played in specific investigations/projects will be provided in a separate 'record of experience' document, which will detail the candidate's industry- and investigation-related experience.
