## EMPLOYMENT HISTORY

---

Nomgqibelo started her career at ABSA Bank as a learner through the Letsema Bank SETA learnership programme, where she learned about FAIS and FICA Acts during the theory part of the learnership and practical work at ABSA Bank the Glen and Southdale. She was then permanently employed as a Customer Service Clerk after the completion of the learnership in 2005.

During her time at the branch, she developed an interest in investigation as she was exposed to a few fraud incidents that occurred at the branch. She then moved to the Debit Card & Digital Banking Department where she was using different systems to monitor fraudulent beneficiaries created via digital banking channels, local and international ATM/Swiping transactions,

Please note that this CV contains personal information of the candidate, and general reference to involvement in investigations. Specific detail about involvement in assignments and roles played in specific investigations/projects will be provided in a separate 'record of experience' document, which will detail the candidate's industry- and investigation-related experience.
